June 4, 2008

To Whom It May Concern,

It is a pleasure to write this letter of recommendation for Allan Mutrie.

Allan began teaching Physical Education at St. Rita School in September, 2001. He has been an asset to our PreK 3 to grade 6 program the past seven years.

Allan follows the New York State Standards for his lessons. He includes values such as sportsmanship, fair play and treating others with kindness and respect. He is always actively involved in the lesson - demonstrating and teaching. Safety is a priority in his classes. His classes are always interesting and creative.

Allan finished his Masters degree this year. I have never experienced a teacher who implemented what he learned in class into his own teaching as effectively as Allan has. Our students have benefited from all the latest information regarding a healthy body including exercise, nutrition and self confidence

Allan is well respected by his students (all ages), their parents and the faculty. I appreciate his sensitivity to all types of athletes and learners. He is always encouraging and has good student assessment skills.

Allan has been responsible for two school wide events each year - Winter Fun Day and Blue/Gold Day (end of year field day). He generates great enthusiasm and spirit for these days.

Allan is an excellent role model for our students, a "gentle giant" to quote the PreK students.

Please feel free to call me at 585-671-3132 if more information is needed.

Peace,

*Sister Katherine Ann*
